LEKIBIR MULATU

FRESH GRADUATE

PROFILE

I am Lekibir Mulatu, a Computer Science graduate from Wollo University with a CGPA of 3.25. I am passionate about full-stack web development and have practical experience in HTML, CSS, JavaScript, and basic backend and database systems.
I have developed strong problem-solving and teamwork skills through academic projects and participation in the university technology club. I am seeking an internship or junior developer role to apply my skills and grow professionally in a real-world environment.

EDUCATION

Bachelor of Science - Computer Science

wollo university

march 2026
